

# Children of the Rune™

## The Land of the Diamond Throne Comes Alive!

They are seldom seen, but their deeds are often marveled at. They live in legend to serve the land. They are the mysterious runechildren, favored by some greater power to receive a distinctive runic tattoo — and the magical power to work great wonders. Runechildren blaze a brilliant path in a world where good and evil are never clear, guiding it to a destiny that not even they always understand.
