For Players

- This handsome screen is an essential DM's tool, while the reference card is a useful tool for players.
- Character sheets, archetypes, and conversion guides help jump-start **Arcana Unearthed** campaigns.
- Written by Monte Cook, co-designer of 3rd Edition *Dungeons & Dragons* and author of the *Dungeon Master's Guide*.

For Sellers

- The substantial player material offers broader appeal than many screen products do.
- The screen is of sturdier cardstock than similar products, with an extra-wide horizontal layout to minimize the "wall" height between players and the DM.
- Monte Cook's Malhavoc Press products exhibit the mastery of the rules that only one of the game's original designers can offer.
