

Mindscapes™

Unleash the Power of Your Mind

Less common than magic, but no less potent, is the unusual talent of psionics. Those who master the powers of the mind rival the greatest mages of legend.

The Evolution of D20 Psionics

This class book for psionics is just what fans have been clamoring for! In response to reader requests, D&D® *Psionics Handbook* designer Bruce Cordell brings us **Mindscales**. This book presents a variety of new prestige classes for psionic characters, as well as an alternate psionic combat system and many new feats and powers. **Mindscales** also offers 18 all-new psionic creatures, several inspired by the fabulous art of Alan Pollack.

Sword & Sorcery™ books are published under the Open Game License and are 100% compatible with 3rd Edition rules and the D20 System.
