

Mystic Secrets: The Lore of Word and Rune™

Arcane Mysteries Revealed...

Magic means power in the world of the Diamond Throne. Witches, runethanes, and magisters dictate the course of history with the spells they wield. They jealously guard their secrets — but this tome unveils them all for use in your campaign.

Command the Power of the Mage!

This supplement expands the magical options available to all characters in **Monte Cook's Arcana Unearthed**. New spells, magic items, and methods of magic enhance any spellcaster's abilities. Ceremonies allow any character to forge mystic bonds with weapons, animal companions, and adventuring allies. New rules for runes expand their abilities while revealing the secrets behind their true nature. And mystic sites provide intriguing new vistas for magical experiments and adventure.

Sword & Sorcery books are published under the Open Game License and are 100% compatible with v.3.5 rules and the d20 System.
